Dexter Holland DEXTE	R HOLLAND'S DETAILED DESCI	RIPTION																	
Dexter wakes up and immediately remembers that today is the day of the loan	While cleaning the dishes and storing his lunch for the day, he wonders if he has made a good decision.	While doing this physical activity helps him conceptualize and give him some new perspective for the loan	Now it's his break to eat and gets distracted while listening to the radio	He feels confident and doesn't think much of it because he's socializing with some of his friends	He feels confident, because in fact a new car would be a great decision and he could get rid of his old cheap car	Dexter is going back home to pack his instruments and materials in his old car	Dexter ponders his decision. In the end he's going to be in debt for a while. He wonders if he"II be able to pay everything	Time to relax. Stress is not allowed here.	On a break, Dexter checks his phone and sees the email that brings the good news. Time to leave early to take care of everything that's left. He calls his boss to tell him that today he's going to work an hour later	He heads straight to the bank and checks if he needs to sign any document It's time. Confidence and nervous for a big purchase. He feels he deserves it has he's been working for a while to accomplish the purchase.	to the owner. His car is amazing:	Dexter shows the way to his house as he goes in front. He remembers the tractor is occupying the whole space and has to find some for the cars. Feels excited	working. It was a good day, because he now has a car that	Dexter tells all the details about his new car and jokingly mocks his colleagues' cars	His coworkers are annoyed but happy for him.	It was a long day. Holland is finally going home and in his new car.	Dexter's band had a booked gig on a local wharehouse that's hosting a rock bands night. Last time, he couldn't fit every instrument inside his car and he even got stuck in the middle of the road. Now he has enough space to carry everything and is now a reliable vehicle.	loan for a while, and after an argument with his boss he fears if	Fights happen and they're human. Everything turned out fine. Dexter was never fired and has already paide for the whole loan. However, this events made him realise that he probably won't ask for a loan again because of the financial instability and fear for the future as a day to day common worker. Despite everything, Dexter does NOT regret buying the car and the way he did it.
